Christmas 2009

Christmas menus for Christmas Day Lunch, Christmas Party Nights and New Years Eve will be available after August 21st 2009. We will be serving a Christmas lunch menu every day from Sunday November 29th through to December 24th.

If you belong to a company club or society that is looking for a venue for a Christmas Party or Christmas lunch we can cater for any number between 2 and 85. Some days are already booked and we expect to have a very busy festive season, so if you have a particular day in mind, please get in touch.

Psychic Investigations

We know our pub is haunted, too many strange things have happened over the past five years to be a coincidence, so we are currently undertaking investigations. Once these have been completed we will be holding psychic suppers and inviting you to see for yourself after the midnight hour!

Games Room

The games room is beginning to take shape. Previously the Cavalier bar and restaurant we already have a championship dart board, an authentic bar billiards table and a flat screen tv for sporting occasions and special events shown on terrestrial TV. We also have a professional Karaoke system that will soon be available.

We are also going to provide equipment for traditional pub games such as Cribbage and "Shove a ha'penny". If anyone had any further suggestions please let us know.

As we now have a dartboard we will be aiming to join a local league and will therefore be looking for people wishing to join the **Moat House darts team**.

We hope to have a well-stocked library by the middle 2010 and have already collected a great deal of books. The idea is to encourage people to enter in to a book exchange, where you can bring a book you wish to donate to the library and take one away at the same time.
